Professional Summary

Demonstrating expertise in various programming languages, like Python, excelling in web development and working as an IT Director at TEC. Driven by a strong commitment to bringing ideas to life, I thrive on teamwork. Notable achievements include securing 6th position nationwide, and 1st place in Lahore District, as well as a 2 Star Badge in the IBIC - International Challenge on Informatics and Computational Thinking. Additionally, excelled in programming competitions, UI/UX, and won a quiz at INTI International University, Malaysia. Outside academics, I've served pivotal positions, including Director of Photography and Host at FCCU, and Director General Management at both AMUN and Sciensation. Demonstrated leadership as Head Delegate at INOVA LUMS and Head Emissary at Chiraagh. Looking ahead to developing my skills in handling large-scale software projects.
